Join us Live. The Workshop will be held at the Marriott Inner Harbor at Camden Yards in Baltimore, Maryland. Participants from the last workshop noted the value of face-to face participation, social networking and in-person professional exchanges make “being there” a bonus. With rapid, impactful changes in the regulatory environment, peer discussion and expert interactions are critical to moving forward together.

Presentation materials, resources and videos will be available to attendees for 10 days following the Workshop. All paid registrants will have access to the TCB Council’s web-based classroom materials. Of course, each participant is restricted to one device per registration.

Due to the concerns surrounding the novel coronavirus and COVID-19 the in-person attendance will follow CDC Guidelines, State of Maryland law and Hotel policy at the time of the event.

Member Discounts. Members of the TCB Council login to receive your discount for each paid registration. In-person seats will be limited so send in your registration now.
